

Before Starting the Project Listings for the CoC Priority Listing

The FY 2017 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2017 CoC Program Competition NOFA.

The FY 2017 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2017 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2017 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2018 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$0				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
This list contains no items				

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$27,000					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: WC-PSH-Families

Grant Number of Reduced Project: MD0353L3B121601

Reduced Project Current Annual Renewal Amount: \$59,825

Amount Retained for Project: \$32,825

Amount available for New Project(s): \$27,000
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The CoC utilized its application ranking and review process to assess the project's performance and existing community need. Based on the low census of chronically homeless families in our geographic area (under the revised definition from January 2016) and the low utilization rate of the program (less than 50% occupancy for the program at any given time), the program's budget was reduced to more accurately reflect the demand for these services in our community. The project was notified of this decision on 9/13/2017.

5. Reallocation - New Project(s)

Collaborative Applicants must complete each field on this form that identifies the new project(s) the CoC created through the reallocation process.

Sum of All New Reallocated Project Requests
(Must be less than or equal to total amount(s) eliminated and/or reduced)

6-1 Below is a summary of the information entered on the eliminated and reduced reallocation forms. The last field on this form, “Remaining Reallocation Balance” should equal zero. If there is a positive balance remaining, this means the amount of funds being eliminated or reduced are greater than the amount of funds request for the new reallocated project(s). If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.
